### Want to go fishing before your licence arrives?

Your licence will arrive in the post within 10 working days. To go fishing before you receive it, you must be able to produce your licence confirmation.

Your licence will arrive in the post within 10 working days. To go fishing before you receive it, you must take:

1. **proof of your licence:** print out this page or make a note of your licence number.
2. **proof of your identity**, such as your driver's licence or passport

We will send your licence details to peter-walter-smith@gmail.com.

### Remember to submit a catch return

You must report a catch return (<https://www.gov.uk/catch-return>) to tell us how many salmon and sea trout you've caught.
